# Membership Form

The Truro Art Society (TAS) is a volunteer-run group that promotes the arts and artists in Truro, Nova Scotia and surrounding areas. Everyone is welcome to become a member of the Truro Art Society, artists and non-artists alike, and not just Truronians! By becoming a member you support local artists and help grow the arts scene!

Our main exhibition space is located at the McCarthy Gallery, in the NSCC library at 36 Arthur Street, Truro, NS. We also often display at NovelTea Café on Prince Street and periodically at the Marigold Centre.

Here are some of the benefits to being a member:

- Participation in society socials and members-only exhibitions and events
- Discounts on classes, workshops and events
- A bio page and image gallery to promote your art on our website
- Supporting the society, which promotes arts in the area

So please join us - support the arts and come out and have fun!
